TO FIND BICKLEY PARK SCHOOL

By road from the M25 [N]

Come off at Junction 3 on to the A20 (Bromley). After approx. 3 miles take the second slip road on the left (Chislehurst A222) and the first exit at the roundabout (Bromley, Chislehurst). Stay on this road (straight on at traffic lights, straight over roundabout) and down and up a hill (past Chislehurst Station). At the mini roundabout at the top of the hill, take second exit (turning right) into Bickley Park Road. Go through the first set of lights and immediately left at the second set into Page Heath Lane. You will see the school on the corner. The vehicle entrance is about 100 yards down Page Heath Lane on your left.

By road from the M25 [S]

Come off at Junction 4 (Bromley) After half a mile at a large roundabout take the third exit (Bromley A21). Stay on the A21 for approximately 4 and half miles then at a roundabout with right hand filter (just past Bromley College on your left), take the second exit (a right turn) into Crown Lane. At the next mini roundabout go straight across into Southborough Lane (there is an off-licence on this corner). Very shortly, at the next roundabout, take the first exit into Southborough Road. Stay on this road (approx. half a mile), passing Bickley Station on your left. At the traffic lights turn left and left again at the second set into Page Heath Lane. You will see the school on the corner. The vehicle entrance is about 100 yards down Page Heath Lane on your left.

By Train

Services run from Victoria and Blackfriars to Bickley Park Station. Come out of the station and turn left, past a housing development and following the perimeter wall and boundary hedge past the traffic lights to the left (approx. 2 minutes). The school is on the corner.
